### Universal Ground Bar

**Mounting flexibility and central collecting point for grounding leads**

This competitively priced universal ground bar offers the mounting flexibility so often needed at wireless communications sites. The solid copper bar accommodates vertical and 90 degree mounting configurations and provides a central point to collect grounding leads. It is ideal for all grounding applications, including towers and building rooftops.

Ground Bar, 1/4 x 2-1/2 x 19-1/2 in .....Type UGBKIT

Ground Bar, 1/4 x 2-1/2 x 12-1/2 in .....Type UGBKIT-2

Type	Description	To fit cable type	Heatshrink included	Price
TKF 558	N Plug	1/2" superflex/hiflex	Yes	£19.54
