### Double LNB Mount

Receive from two satellites with 2 LNB'S and one dish.  
 Eutelsat (13<sup>deg</sup> East)  
 Astra19.2<sup>deg</sup> East

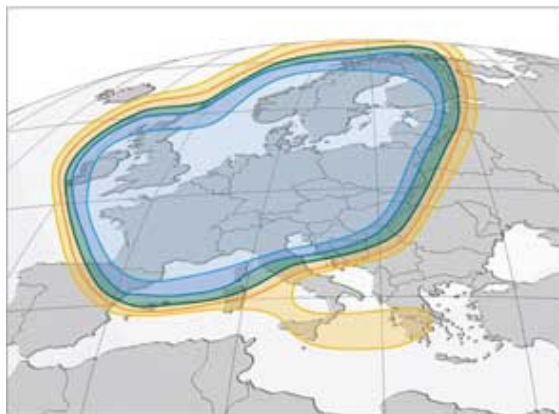

OP O8C

**£10.<sup>70</sup>**

Astra 2B and 2D have the smallest footprints out of all the Astra transponders beamed towards the UK and Europe.

it can be seen from the illustrated footprint below that a 60cm dish provides good reception in the whole of the UK and Ireland.
